Capernaum

Discussion

Locate on a map the ministry center of Jesus at Capernaum. What were some of the insights that you gained from the video about this important commercial city in northern Galilee?

Read Luke 7:1-10. What did Jesus and his disciples encounter when returning to Capernaum?

What do we discover from the text about the Roman centurion in Capernaum?

What does the message from the Roman soldier and Jesus' response indicate?

In this account from Luke what actually "amazed" Jesus? Where else in the New Testament is Jesus "amazed"? (Mark 6:6) Are you surprised? What is the application of this truth?

The centurion was acting on behalf of his "slave" (doulos). What 3 truths does that reveal?

Applying His Truth

Is there a difference between “faith” and “trust”? (Hebrews 11:1) How does the meaning of the Hebrew word “batach” (to trust God exclusively) apply to your faith?

Do you think Jesus would be “amazed” with your living faith?

George states: “Out of trust in God...faith in God is lived.” How can you live this out in your life of faith?

What insight did you gain from this lesson for your walk with Christ?
